Requests sanction for the payment of Rs 345/- by the Chief Valleyur Town Rly towards the exchange value of a new radio set
1) Ref to the previous correspondence
Sanction was accorded for the purchase of a radio with two loud speakers at a cost of Rs 600/-, in July 1939 He has now states that it became unserviceable and a new radio at a cost of Rs 345/- was purchased exchanging the old one It is not known when the old one became unserviceable, whether there was no guarantee for for its working satisfactorily for a certain period, whether it worked well till the termination of that period, whether it was not possible to have any defect rectified at a small cost, whether any price was fixed for the old set while exchanging it for a new one and whether the exchange price for the new one (Rs 345/-) is not too much in view of the fact that in 1939 the radio sets with loud speakers were given only Rs 600/- The entire papers relating to the subject may perhaps be called for. *
